

Representation in STEM Scholarship

Project SPEAKS, Inc. strives to support students from marginalized and disadvantaged backgrounds pursuing education in STEM. Project SPEAKS, Inc. encourages students from these backgrounds, who have a passion for STEM to pursue these goals and aims to help students work towards their educational goals, research, or opportunities. This scholarship focuses on providing financial assistance to ensure students have access to quality education toward a successful career in STEM.

Award Amount: \$2,000

Award Quantity: 1

Deadline: May 1, 2021

Eligibility Requirements: In order to be considered eligible for Representation in STEM Scholarship, you must:

- Be an enrolled or accepted undergraduate or graduate student at accredited university, community college or vocational-tech school.
